### **DETAILED ACTION**

This second Office Action is in response to Applicant's Amendment received in the Office on October 13, 2004 in this case.

#### ***Priority***

Receipt is acknowledged of papers (Korean Patent Application No(s). 2002-68265) submitted under 35 U.S.C. 119(a)-(d) on November 5, 2004, which papers have been placed of record in the file.

#### ***Allowable Subject Matter***

Claims 1-18 are allowed over the prior art of record.

#### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: Regarding claims 1-6, the prior art of record does not teach, in combination with the other feature of claim 1, a locker having a hook engagable with the locker accommodating part and elastically biased toward a locking position, and a contacting part elastically biased to protrude from the base member. Regarding claims 7-17, the prior art of record does not teach, in combination with the other feature of claim 7, a locker hingedly attached to the stationary stand member, the locker having a hook elastically biased to contact the movable stand member and a contact portion elastically biased to protrude through the base member. Regarding claim 18, the prior art of record does not teach, in

combination with the other feature of claim 18, a locker hingedly attached to the stationary stand member, the locker having a hook elastically biased to contact the movable stand member and a contacting part elastically biased to protrude from the base member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
